## Health Ed. Chairman, Several New Teachers Join Whitney Faculty

A new chairman and several teachers have been added to the Whitney faculty.

Mr. Eiss, who previously taught at Erasmus Hall and Andrew Jackson high schools, has been appointed as chairman of the Health Education department.

Since coming to this school, he has been particularly impressed with the neat appearance of the Whitney students. As for the future, he hopes to increase the number of athletic activities at Whitney.

Born in Staten Island, Mr. Eiss attended Curtis High School and New York University. While in school, he participated in basketball, cross-country and track. He received many awards and trophies for his participation in these sports.

### Additions to Faculty

Included among the additions to the Whitney faculty are Mrs. Albert, Mr. Alperin, Mr. Branner, Mr. Berkowitz, Mr. Glantz, and Mr. Sochacki of the Academic department, and Mr. Albanese, a science teacher in the Related Tech department.

Mr. Fiorino, an Upholstery teacher, Mr. Schwartzberg and Mr. Zabawski are other new faculty members. Mr. Schwartzberg will be in charge of audio-visual equipment while Mr. Zabawski will supervise the audio-visual aids program.

Two new members have also been added to the Business Education department in the persons of Miss McNamara and Mr. Diamond.

Miss Bobonis and Mr. H. Greenberg complete the list of new faculty members. Miss Bobonis teaches Trade Dressmaking while Mr. Greenberg is a teacher of the Health Conservation class.

## Youth Placement Service Installed at Whitney

By Frances Parys

More and better jobs are likely to be available for Whitney graduates now that the Youth Placement Service of the Division of Employment, New York State Department of Labor, has been installed in this school. The work is being handled efficiently by Mr. Marks who has had extensive experience as an employment counselor.

Throughout the school year, Mr. Marks will try to find jobs for graduating seniors. In addition,

he will attempt to find part-time jobs for other students, preferably in their major field of study.

## Mary, Frances, Nelida:

## Principal Editors

By Florence Kowalczyk

Mary Wieczorek, Frances Parys, and Nelida Estrada, three seniors majoring in Secretarial Practice, are the principal editors of this year's *Green and Gold* staff.

Mary is the newspaper's editor-in-chief, while Frances and Nelida are serving as news editor and features editor, respectively. With this issue, the *Green and Gold* begins its twelfth year of publication.

Mr. Fink, who is starting his second

year as faculty adviser, said: "We were very pleased to receive a third place rating by the Columbia Scholastic Press Association last year. We hope to do even better when we enter this year."

"However, our main purpose in publishing this newspaper is not to see how many prizes we can win. Our main objective in publishing a school newspaper is to keep all Whitney students informed about current school activities. At the same time, we hope to present all the articles in as interesting a manner as possible."  
(Continued on Page 3)

Mr. Fink

## Grads Schedule Reunion Dance On Nov. 30

By Linda Karkosza

All of the 1961 and 1962 Whitney graduates have been invited to a dance to be held in the school gymnasium on Friday evening, November 30. The dance is being sponsored by the school's Alumni Association.

Plans for the dance as well as other activities are prepared at the meetings which the group conducts once a month in the Academic office, room 331. All Whitney graduates are invited to attend these meetings.

Leonard Saladino, a member of last June's graduating class, is the President of the Alumni Association. The association's dues are \$1 per year.

At the monthly meetings, the Whitney graduates have an opportunity to listen to one another's experiences in the business world and learn from these experiences. They are also able to retain the friendships they made as students.

## From PN to HC

The headline used in connection with this story does not refer to some mysterious chemical formula. It simply brings to the attention of one and all that nursing students are now to be referred to by the HC (Health Careers) designation instead of the PN (Practical Nursing) label that was used in the past.

Mrs. Gordon, chairman of the girls' trades department, explained that Health Careers covers a much wider area. Students majoring in Health Careers are preparing for any one of the following jobs: (1) Physician's and technician's assistant, (2) Dietary Aide, (3) Ward clerk, (4) Laboratory assistant, (5) Nurses aide, and (6) Nursery school aide.

In addition, the HC girls receive the academic preparation for a Registered, Professional nurse and for Practical nursing. Students interested in specializing in either of these areas must then take a qualifying entrance examination for higher education following their graduation from this school.

## Senior Interviews

Mr. Marks will interview all members of the senior class in an effort to help them find suitable employment. Other students who are seeking part-time work will have to request an appointment with Mr. Marks at a time when he is not interviewing seniors.

Mr. Marks will be in room 131 from 8 a.m. to 4 p.m. on Tuesday, Wednesday, and Thursday.

He has already interviewed a number of Whitney students. Mr. Marks said: "The students I have met so far are students that I would be very pleased to send out to work." He regards deportment, dress, and attitude as being very important characteristics for job applicants.

Mr. Marks added: "In every case possible, the student will be referred to a job in a field in which he or she has been trained. In the event that this is not possible, every effort will be made to locate a job either in an allied field or in an occupation in which the student will be able to succeed."

## Honor Society Ceremonies To Be Held November 14

(Editor's Note: A list of those students who have already been processed for admission to this year's Honor Society appears on page two of this newspaper.)

More than 50 students have already been admitted into the most distinguished of all Whitney groups, the Honor Society. Induction ceremonies will be held in the assembly on Wednesday, November 14.

Maryann Gurecki, a senior majoring in Secretarial Practice, has been

are the other elected officers of the group. Deidra, a senior majoring in Secretarial Practice, will serve as treasurer. Jane, a sophomore majoring in Secretarial Practice, is the secretary of the Honor Society.

Mr. Rubenstein, the group's faculty adviser, explained that in order for a student to become a member of the Honor Society, the student must receive an average of 85% in his grades for the year. In addition, the student must be of good character and must have a good service record.

Students cannot become eligible for admission into the Honor Society until they have completed one year at Whitney. The Honor Society meets every Thursday at 8 a.m. in room 205.

Last year, the Honor Society helped support a needy 11-year-old Indian child by contributing \$10 a month.

The Honor Society was also instrumental in sponsoring Nancy Perez in the city-wide competition for the Journal-American Youth Honor Scholarship award.

Nancy, a June 1962 graduate of Whitney, won the scholarship. She received her award at City Hall last May.

## SAGA

SAGA, the Honor Society for freshmen, requires of its members an 80 per cent average, excellent attendance and outstanding character. Mr. Wiederhorn is the group's faculty adviser.

Freshmen are not eligible to join the regular Honor Society until they complete one year of high school. The letters SAGA stand for scholarship, appearance, general attitude and attendance.

elected as president of the group. Richard Passarella, the president of the G.O., was chosen as the vice-president of the Honor Society. Richard is a senior majoring in Electrical Installation.

Deidra Bizzaro and Jane Antonik

## Parents May Attend Classes During Open School Week

By Rosalie Madaio

This year, November 13-16 has been designated as Open School Week. Parents will be allowed to attend their children's classes during this week.

Parent-teacher interviews will be held Monday afternoon, November 19, and Tuesday evening, November 20.

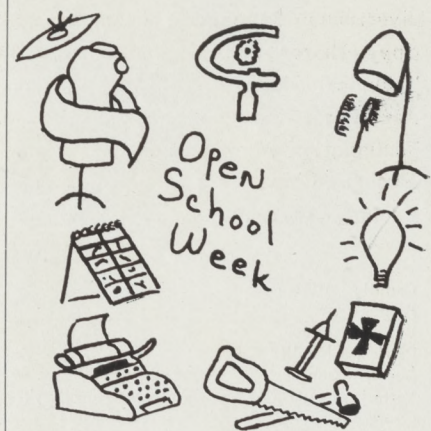

Mr. Platt, the Principal, urged the parents to visit the school, attend the classes, and meet with the teachers of their children.

## Dearest Possession

Mr. Platt said: "School represents the parents' dearest possession and investment. They will learn many things about the tutoring of their children. The teachers would like

them to take an interest in their work."

Open School Week is held each year

## Want To Help?

Would you like to become a member of this newspaper staff? Any student may join. Membership in the G.O. is the only requirement.

The *Green and Gold* staff meets each Wednesday after checkout in room 205. If you are interested in writing for the school newspaper, you should attend the next meeting.

Additional cartoonists and photographers are also needed. If you are talented in either of these areas, and you wish to do art or photography work for the school newspaper, you should contact Mr. Fink, faculty adviser, Wednesday, after checkout, in room 205.

as part of American Education Week.

Open School Week is held so that the public can be kept informed of the accomplishments and needs of the public schools. In this way, the support and cooperation of the public can be secured in meeting these needs.

Welcome to New Students

This editorial is directed toward all new students: welcome, and we hope you have a very pleasant stay.

We who have been here for a time are acquainted with the rules and ways of doing things, so we will try to help you get to know them, too.

You have already been asked to contribute \$1 as G.O. dues. This is a necessary part of school life and each citizen of the school must help support his and her government.

These G.O. dues can and should be compared to taxes paid to Uncle Sam. The U.S. Government could not continue functioning without the backing of its people. Neither could our school government function without the backing of its students.

Our parents pay their taxes. So should we.

On the back of all the G.O. cards, a list of benefits has been prepared for your convenience. This list includes: good citizenship; all issues of the *Green and Gold*; the privilege of voting for or being school or class officers; the privilege of club and team membership; discount rates at many stores; discount rates for tickets to games; service credit for school activities; admission to G.O. dances and affairs, and participation in community activities.

The clubs to be found in this school include the Honor Society, Campus club, Pan-American club, Newman club, Mixed Choir, and Bookkeeping club. Membership in the G.O. is required for all club members. Students who join the various Whitney teams must also be G.O. members.

In conclusion, let us again bid you welcome. We strongly urge you to join the G.O. and we urge you just as strongly to take advantage of the many opportunities offered to all G.O. members.

Suggestion Box

While we aim for perfection with each issue, we realize that there is always room for improvement. That's where you can help!

If you have a suggestion which you feel will improve future issues of the *Green and Gold*, please let us know. All you have to do is prepare a brief note or letter, including your name, advisory section, and suggestion. Place the note in the Suggestion Box, located in Room 331. We will carefully consider all suggestions that we receive.

Editorial Award

The news reached our desk last term after the final issue of our school paper had already been published. Still, we are too proud of this achievement to let it pass without at least a brief mention.

Bernard Tomczak, last year's Editor-in-Chief of the *Green and Gold*, won a second place Salute to Youth award for his editorial, "The Purpose of the G.O.," published in the school newspaper, November 3, 1961. Bernard received his award at City Hall on May 4 of this year.

G.O. Collects Donations

For Foster Child's Support

Once again, the G.O. is collecting money for its foster child, Evelina Marzella. Every Whitney student can help this worthy cause by contributing twelve cents, an average of only one penny a month.

The G.O. sends \$15 a month towards the support of its foster child. This money is used for Evelina's food, clothing, and education.

Mrs. Elma Laurenzi, Director in Italy for the Foster Parents' Plan, Inc., reports: "... Your extra gift packages are greatly appreciated and your extra monetary help is truly beneficial in this case. Also, your affectionate correspondence makes this child so happy.

"... The family is very grateful to you, dear friends, because after helping Giuseppina you are taking care of Evelina. This assistance means a lot to the family, is of great help to the little girl and has relieved her parents of many preoccupations."

Evelina is nine years old. She is a pretty little girl with blonde hair. She is now attending elementary school.

Later, she hopes to go to a vocational school and learn trade dress-making. Her older sister Giuseppina was formerly a foster child who received support from the Whitney G.O.

Senior, Junior  
Are Press Reps

Nelida Estrada, a senior, and Eugenia Krapf, a junior, have been selected as the *Green and Gold's* representatives to the New York City High School Press Council.

Nelida is the features editor of the *Green and Gold*, while Eugenia is the copy editor of the school newspaper. Veronica Wiepz and Victoria Czajkowski were chosen as the alternate representatives.

The first meeting of the Press Council was held at the High School of Printing on October 17. Mr. James F. Macandrew, Director of Broadcasting, Board of Education, and Director, School Television Service, Channel 13 on "The High School Press and Educational Television," was the featured speaker.

How else can I drown him out?

Principal's  
Message

Mr. Platt

Dear Students:

I always look forward with great anticipation to each issue of our school newspaper, the *Green and Gold*. In it I find very many interesting articles and news items which tell of the happenings at Whitney.

All students have an opportunity to contribute to our school newspaper in several ways: first, by being G.O. members, thus supporting it; second, by taking part in the various activities and opportunities which are offered; and third, by becoming a member of the newspaper staff to help create this wonderful newspaper.

The *Green and Gold* is merely a mirror in which we find reflected all the life at Whitney. I hope that during this school year you will be able to make an excellent image in our school newspaper. In order to achieve this, you, members of the Whitney family, must do your part.

Cordially yours,  
SIDNEY PLATT  
Principal

Graduates'  
Corner

The following letter was received this term:

Dear Mr. Platt:

I am a member of the graduating class of June 1960, Anita McGuire. I am writing to let you know that I have married and my name is now Anita Alexander.

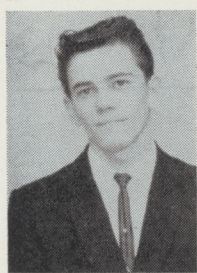

I am now working as a Secretary for the United States Army in Governors Island, New York, and thought I would write to my old school to let you and the staff know that I appreciate and enjoyed the teaching I had throughout my school life in Eli Whitney.

I would appreciate it if you would send my regards and thanks to two of my best teachers I have had in Eli Whitney, Miss Bell and Mrs. Clayton; if it hadn't been for their superior teaching and training I wouldn't have such a wonderful and exciting job today.

Thanks always,  
Anita McGuire Alexander

## Meet and Greet...

Richard  
Passarella

Margaret  
Vecchione

Camille  
Allocca

Frances  
Krasina

### By Nelida Estrada

**Richard Passarella, President of the G.O.:** Richard is the chairman at all G.O. Council meetings. He is also active in many other school activities.

Richard is Vice-President of the Honor Society, Captain of the Visual Aids squad, Captain of the Color Guard, and a member of the Campus club, Newman club, Stage crew, and Early Bird squad.

A senior majoring in Electrical Installation, Richard plans to attend Community college and Brooklyn Poly Tech after he is graduated from Whitney. He intends to study engineering.

**Margaret Vecchione, Vice-President of the G.O.:** Margaret serves as acting chairman of all G.O. committee meetings. An excellent student, she is a member of the Honor Society.

Margaret plans to work as a secretary after graduation. This term, as part of the school's co-op program, she works two periods a day as secretary to Mrs. Gordon, Chairman of the Girls' Trades department. Margaret is a senior majoring in Secretarial Practice.

**Camille Allocca, Secretary of the G.O.:** Camille records the minutes at all G.O. meetings. She is well qualified to do this, since she is a junior majoring in Secretarial Practice.

After graduation, Camille plans to work as a private secretary. She is a member of the Honor Society and the school newspaper's managing board.

**Frances Krasina, Treasurer of the**

**G.O.:** Frances helps Mrs. Naison, the G.O. faculty adviser, with the collection of G.O. dues.

Like Camille, Frances also plans to work as a private secretary after graduation. She is now in her junior year majoring in Secretarial Practice. Frances is also a member of the Honor Society and the school newspaper's managing board.

## Vocationally Speaking

**HOMEMAKING AWARDS:** Several seniors majoring in Health Careers will compete in a nation-wide examination for the Betty Crocker Homemaking awards, December 4.

**N.O.M.A.:** Mary Wiczorek, a senior, and Laura Bednarik, a junior, have been selected as Whitney's representatives to the National Office Management Association. Both girls are Secretarial Practice majors.

**BOOKKEEPING CLUB:** Membership in this club is limited to girls who have taken the Bookkeeping Regents examination. The group meets each Wednesday at 8 a.m. in room 205. Mr. Fink is the faculty adviser. He reports that 39 girls attend the weekly meetings.

**SHORTHAND CONTEST:** Back in June, Kathleen Donohue, Carol Janas, Gloria Panico, Eileen Tomaszewski, and Mary Wiczorek entered a city-wide shorthand contest conducted by the Pitman Commercial Teachers Association. All five girls received Certificates of Outstanding Proficiency.

Gloria and Mary recorded perfect scores.

**FASHION SHOW:** Trade Dressmaking students are already busy at work making clothes for the Fashion Show which will be presented in the auditorium next May. All of the garments in this show will be made by Whitney students. Mrs. Rudman is the teacher in charge of these preparations.

**I.B.M. MACHINES:** One of the newest of the business machines, the International Business Machines Key Punch machine, has been installed in the office machines room this term. Only twelve other high schools in the city have this machine.

## Editors...

(Continued from Page 1)

esting a manner as possible."

The business end of the newspaper will be supervised by Kathleen Donohue, Veronica Wiepz, and Antoinette Barbano. Kathleen is the business manager, while Veronica and Antoinette are the advertising managers.

Other editorial positions are being held by Eugenia Krapf, Carolyn Spampinato, and Christine Rosianski. Maryann Gurecki and Joan Marcial are the distribution managers, while Carol Novitski and Marie Correa are the exchange managers.

# Leader of School Band Is Man of Many Talents

By Louise Wilcher

A man of many talents and interests is Mr. Watkin, the leader of the school band.

He has lectured at several colleges and universities, given piano recitals, and has even shown an interest in politics.

He reads about and composes music as a hobby. However, music is more than just a hobby with Mr. Watkin. He has already given four recitals as a concert pianist.

### Musical Consultant

Mr. Watkin also served as the musical consultant for the National Broadcasting Company's radio program, "Extra Curricular." The program was broadcast on May 9 of this year.

Mr. Watkin has been a music teacher at Whitney for six years. Prior to coming to this school, he taught for two years in a Bronx junior high school.

As noted previously, his teaching

experience has not only been limited to the high school and junior high school levels. He has lectured at Brooklyn college, New York university, and Fairleigh Dickenson univer-

sity, and politics as some of his other hobbies. On September 6 of this year, he was re-elected at the primary elections to another two-year term on the Kings County committee.

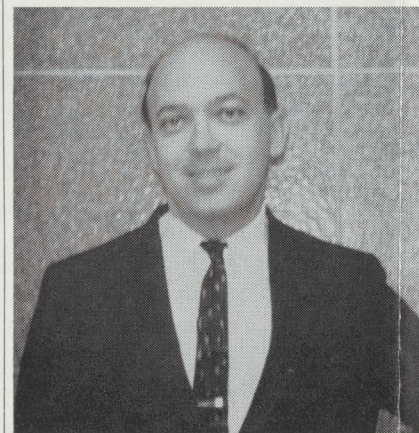

Since coming to Whitney, Mr. Watkin has seen the school band grow in size and musical ability.

He said: "The band started with only 20 students; last year we had 60 members in the band. Our boys and girls, who serve in the band, practice every morning starting at 8 a.m. This is before the school day actually begins. They receive class credit, service credit, and vocational music credit for their work in the band.

"Most of the boys and girls in the band learned to play their instruments while attending Eli Whitney. We have beginning classes under Mr. Powers' direction. When a student has learned to play his instrument, Mr. Powers recommends that the boy or girl be placed in the band. The school owns many musical instruments which are assigned to beginning students.

"Many of our boys and girls continue their musical studies after they graduate by joining bands and instrumental groups.

"Any student interested in joining the band should either see Mr. Powers or myself. No experience is necessary—we do the teaching."

Mr. Watkin

sity.

During his own days as a student, Mr. Watkin attended James Monroe high school in the Bronx. He then attended New York university where he received his bachelor's and master's degrees. He also received a diploma in Music Education from Columbia University.

### Many Hobbies

In addition to music, Mr. Watkin lists magic, chess, crossword puzzles,

## SOMETHING NEW

By Patricia Chandler

Being a freshman in high school is an experience no boy or girl can ever forget. Everything is so new and exciting. I won't soon forget my first week of classes—meeting my new teachers and getting acquainted with new friends. It was a memorable experience.

When I first came to this school I got a feeling of being more adult. I'm traveling further than I ever have before and I'm given more responsibilities in my classes.

Starting class work, electing officers, and joining clubs was exciting. I won't forget the day we selected our class officers. We all voted for suitable and capable children to hold office.

I like being a member of the Green and Gold staff. You meet nice people and write articles you feel will be of interest to the other students. I wanted to be a part of this newspaper as soon as I heard about it.

I can remember the first assignment Patricia Stabile and I received as members of the newspaper staff. We had to interview Mr. Eiss, the new Chairman of the Health Education department. We were both very nervous. However, that feeling soon passed. Because of Mr. Eiss' friendliness and politeness, Patricia and I were able to feel at ease. I think we all enjoyed the interview. I know I did.

Yes, this has been a most interesting beginning. I'm sure that when I am a senior I will look at the new freshmen and say to myself what a wonderful experience is facing you. Take advantage of each moment, of each opportunity.

# Cagers To Try for Play-off Birth With Young, Inexperienced Squad

Whitney's basketball team, second in its division last year, will again be trying to gain a place in the city play-offs. Coach Abraham's cagers open their season schedule with a home encounter against Queens Vocational, December 4.

"We have a young and inexperienced team," said Coach Abraham. "I have a squad of 19 boys, the largest in the history of the school."

"I've extended the size of the squad because we have so many young, talented, but inexperienced players. I want to give them some insight into our offensive and defensive patterns and I also want them to gain some game experience."

Not one member of last year's fine starting five is back this season. In fact, 14 of the 19 members are new to the squad.

Returning from last year's team are three seniors, Steve Johnson, Tim Harris, and Matty Gregovich; and two juniors, Thurmond Outlaw and Robert Williams.

Included among the new members of the team are Luis Maldonado and Gene Taylor, both seniors; and John Hines and Victor Cruz, a pair of juniors.

## New Sophomores

The new sophomore members of the team include Wade Bowick, Ben Timmons, Lawrence Dickerson, Albert Murphy, Walter Turner, Robert Hill, Vincent Napolitano, Robert Walker and Ralph Perry. Pete Ashe is the only freshman member of the squad.

Last season, the Whitney five posted a fine 14-2 mark in league competition. Their overall record was an excellent 17-3.

Whitney won its opening round playoff battle at Madison Square Garden, beating Fashion Industries, 57-34, on February 22. However,

## Hoop Schedule

Dec. 4	Queens Vocational	Home
Dec. 7	Grady Vocational	Away
Dec. 11	Edison Vocational	Home
Dec. 13	East New York Vocational	Home
Dec. 18	Alexander Hamilton	Away
Dec. 21	Brooklyn Automotive	Home
Jan. 3	Bushwick	Away
Jan. 9	Eastern District	Home
Jan. 11	Westinghouse	Home
Jan. 16	Queens Vocational	Away
Jan. 22	Grady Vocational	Home
Jan. 28	Edison Vocational	Away
Feb. 6	East New York Vocational	Away
Feb. 8	Alexander Hamilton	Home
Feb. 13	Brooklyn Automotive	Away
Feb. 15	Bushwick	Home
Feb. 19	Eastern District	Away
Feb. 21	Westinghouse	Away

Coach Abraham's squad bowed to Eastern District, 58-48, in the semi-finals on March 9.

A new team has been added to the division in the person of Brooklyn Automotive. The other teams in the league include Eastern District, Edison Vocational, Queens Vocational,

Bushwick, Westinghouse, East New York Vocational, Alexander Hamilton, and Grady Vocational.

Eastern District won the league title last year, beating Whitney twice in league play. In fact, Eastern District was the only team Whitney was unable to defeat last season.

## Track Team Tryouts To Start November 5

Tryouts for the Whitney track team will begin next Monday, November 5. Any student who is interested should contact Mr. Makofsky, the Whitney track coach.

Mr. Makofsky said: "We expect each member of the team to live up to high standards of scholarship and attendance. Any boy who cannot conduct himself in the best interests of sportsmanship in addition to the above cannot remain on the team."

The first meet of the track season

will be held shortly before the Christmas vacation. The final meet of the cross-country campaign will be run tomorrow at 10 a.m. at Van Cortlandt Park. Mr. Makofsky is also the coach of the cross-country team.

The Whitney harriers are led by Robert Rosemond, the team captain. Other varsity members are Kurt Mid-

## Around and About

**PAN-AMERICAN CLUB:** The group meets every Tuesday after checkout in room 205. Officers of the club are Milta Perez, president; Margaret Velez, vice-president; Carmen Zapata, secretary; and Johnny Burges, treasurer. Mr. Rubenstein is the faculty adviser.

**CHEERLEADERS:** Girls who would like to join this group should attend the meetings which are held each Wednesday after checkout. All candidates must be agile, well-mannered, and have good attendance and scholastic records. Miss Waynesboro is the teacher in charge.

**COUNCIL MEETINGS:** Stanley Zielinski is the school's representative to the Brooklyn Borough Council meetings. Nelida Hodge is the alternate representative. Janie Thornton represents the school at the City-wide G.O. Council meetings which are held once a month at Washington Irving high school.

**RICHARD WILLING CONFER-**

**ENCE:** Janie Thornton attended this G.O. sponsored activity, October 5-7. The conference was held at Andover, New Jersey.

**JUNIOR RED CROSS:** Victor Robles is the school's senior representative to the Junior Red Cross. Alternate representatives are Elsa Lebron and Carmen Montanez. This month, the girls who belong to the Junior Red Cross are making Christmas stockings for Veterans and City hospitals. Mrs. Siegel is the teacher in charge of this group.

**FENCING CLUB:** This newly-organized group meets every Monday and Thursday after checkout in the auditorium. Mr. Horner is the faculty adviser. Membership in the club is being limited to freshmen and sophomore boys.

**CAMPUS CLUB:** This group was formed to help students who plan to continue with their education following their graduation from high school. Mr. Hanft is the faculty adviser. The Campus Club meets every Thursday during the homeroom period.

Mr. Makofsky

dleton, Russell James, Theodore Harris, Charles Kurtzke, Robert Kenon, and Eugene Scott.

The members of the junior varsity are Edward Carroll, Everett Richardson, Arthur Slaughter, Albert Maslankowski, Alphonso Mingo, William Brackett, Ralph Matthews, Edward Malpica and Ronald Coy.

Also, Jose Berrios, John Baldwin, James Jett, Benny Ford, Thomas Hoier, Lloyd Patterson, William Jones, and Peter Ferguson.

## Bowling Season Begins Today; Prospects Good

"Prospects look very good," Coach Gruber said of his bowling squad. "We have an experienced team with as many as ten boys capable of starting for us."

Whitney opens its season at Jefferson today. Coach Gruber's squad meets Boys High in its home opener, November 7.

Returning for another season are Joe Radzicki and Jerry Zoldak, two of the three top scorers on last year's team.

Radzicki, a senior, turned in the best average on last year's squad, an average of 174. Zoldak, a junior, averaged 163 last year, third best among the Whitney bowlers.

In addition to Radzicki, Richard Karkosza, Patrick McCann, Vincent Mirable and Vincent Rebecca are the other seniors returning from last season's team.

John Barry, Thomas Skubina, Frank Mariconda, and Frank Esposito are the other juniors who are back for another season.

In addition to this formidable list of experienced bowlers, Coach Gruber has a number of promising newcomers who are currently trying out for the squad.

This group includes Walter Karkosza, Benny Amadeo, Anthony Gerace, Steve Cameron, Ken Brodowski, Ed Ferrer, James Ryan, Wayne Czajkowski, Joseph Minucci, Allen Perlin, Michael Cosentino, Elliott Sinofski, Frank DeRogatis, Frank Guadagno, Louis Echevaria, and Joe Garcia.

All of the team's home matches will be played at the Mt. Carmel lanes.

The complete bowling schedule follows:

Nov. 2	Thomas Jefferson	Away
